ITA0329 – Mobile Computing

Date : 10-10-2026.

Name : Pranav M V
Reg. No. : 192411030

4. Construct a concept map that evaluates the contribution of Mobile Station, Base Station Subsystem, and Network Switching Subsystem toward seamless communication. Illustrate their interdependencies. Assess which subsystem has the greatest influence on service continuity. Justify your conclusions using concept relationships.
